Style #: GU63TH

Available in Unfinished

WATERWORKS

THE COLLECTION: ViaWorks

The ViaWorks collection encompasses all Waterworks valves, which are just as impeccably engineered as our legendary fittings and the finest the industry has to offer in terms of performance, features and functionality. ViaWorks valves are engineered with more than three generations of bath and kitchen expertise, each with installers and lifelong service in mind.

FEATURES

- Integrated anti-scald protection.
 - 1/2" NPT Connections, smooth handle operation with haptic "clicks" at each diverter position for tactile feedback
 - 6 gpm (gallons per minute) unrestricted maximum flow at 60 psi
 - Flows water to up to two shower components simultaneously, set optimal temperature once, valve will automatically maintain it
 - Made in Germany in a compact all-in-one format that reduces installation time by 15-20%
-
