THE COLLECTION: Gemma

Introducing Gemma, a new ceramic tile family with a transitional-to-modern feel. Uniquely, each shade in the collection's focused palette comes in multiple finishes, giving you the flexibility to use the same color in different textures for different rooms. Made in Italy in two sizes; the longer planks create a more modern-looking installation.

FEATURES

- Transitional to modern ceramic tile collection
- Offered in 21 glazes
- Available in multiple finishes, giving the option to use the same color in different textures for different rooms
- In-stock program available for select colors and sizes; stock field tile sold in increments of 11 square feet
- Made in Italy
