## THE COLLECTION: Gotham

Gotham introduces a clean, modern bath accessory. Each item is trimmed with cotton binding in the tradition of fine men's shirting.

## FEATURES

- TEST 2.24.25
- Woven from 100% long-staple cotton
- A Waterworks classic, it's made with long loops of long-staple cotton and piped in the tradition of fine men's shirting for an elegant, polished look
- Care and Cleaning: Wash prior to use. Machine wash warm on gentle cycle. Do not use bleach or softeners. Softeners leave a chemical coating that decreases absorbency. Tumble dry low
- Made in the USA
