THE COLLECTION: Margaux

Vintage European tub styling in a larger silhouette encourages luxuriously long baths. Gracious, gentle curves are highlighted by the rich patina of the burnished cast iron exterior and cool, white enamel interior.

FEATURES

- The flared skirt of Margaux emphasizes the bold ogee base of the tub.
- Double ended and wider for added comfort and easy installation.
- Available with optional slip resistant bottom, a built in safety feature.
- The exterior of primed bathtubs must be finished with a high quality paint before installation.
- Due to the manual finishing process, burnished bathtubs will show variation in the amount of exterior finish distress.
