WATERWORKS

THE COLLECTION: Easton

Drawing on Edwardian style, Easton is the most extensive Waterworks family; a range of moods and a selection of products from fittings to furniture.

FEATURES

- Brass metal is used for all trim and valve components.
 - The manufacturing process encompasses casting, turning, forging, hand-fitting and hand polishing.
 - Easton is our most comprehensive fittings family.
 - Easton has a clean-lined utilitarian profile, with a slightly elongated spout.
 - Standard flow rate is 2.5gpm for handshower only. Also available in high efficiency flow options. Contact your sales associate or call 1 (800) 899-6757 for details.
