THE COLLECTION: ViaWorks

The ViaWorks collection encompasses all Waterworks valves, which are just as impeccably engineered as our legendary fittings and the finest the industry has to offer in terms of performance, features and functionality. ViaWorks valves are engineered with more than three generations of bath and kitchen expertise, each with installers and lifelong service in mind.

FEATURES

- Customize your bath experience with a clockwise open cartridge rough, for use with Waterworks wall valve trims
- 1/2" NPT female inlet and outlet with quarter turn functionality
- Custom tile guard ensures precise tiling, while providing accessibility in servicing the valve.
- Combine multiple volume control valves within a single shower to operate multiple shower components simultaneously
- Made in Europe of Brass Construction
