WATERWORKS

THE COLLECTION: Universal

Our Universal collection features timeless designs complementing any of our Waterworks. With a wide range of product, from fittings to accessories, Universal adds exquisite proportion and balance to any environment.

FEATURES

- Allows water to be switched between three different water features such as a shower head, handshower, rain head, or spray bars
- For use with all Waterworks families of diverter handle trims
- Three Roman numeral icons correspond to the handle positions and allow multiple configurations. Custom icons are also available as special order
- Configured without shutoff position
