WATERWORKS

THE COLLECTION: Clayburn

At home in a restored farmhouse or modern beach cottage, these traditional sinks are updated to be practical and utilitarian. Made from very strong Fine Fireclay and glazed with an incredibly durable glaze, Clayburn sinks are extremely resistant to scratches and stains.

FEATURES

- Designed to fit the CASK51 Clayburn Fireclay Farmhouse Apron Kitchen Sink.
 - Protects the sink from impacts by large pots and pans and buffers the sound of items dropped into the sink.
 - Help items left in the sink to dry by allowing air circulation.
 - Stainless steel will not rust and non-skid feet prevent scratching.
-
