THE COLLECTION: MasterPiece

Referencing classic wood designs, these capture the beauty of stone with an unexpected interplay of its veining and shadings. Designs can be scaled up or down to suit your space.

FEATURES

- The unique and natural beauty of stone unleashes infinite design possibilities.
 - Choose your pattern to create expansive statements or a dash of detail, for a beautiful one-of-a-kind installation.
 - Palette of 65 versatile stone colors; selection expands from neutral tones into a full spectrum of color.
 - All patterns available in a Petite or Grande scale. Equally transformative on walls and floors.
 - Custom colorways can be created using any of the stones or finishes available in the MasterPiece color palette.
-
