WATERWORKS

THE COLLECTION: Universal

Our Universal collection features timeless designs complementing any of our Waterworks. With a wide range of product, from fittings to accessories, Universal adds exquisite proportion and balance to any environment.

FEATURES

- Brass metal is used for all trim and valve components.
 - Optional materials for handles include ebony and semi-precious stones.
 - The manufacturing process encompasses casting, turning, forging, hand-fitting and hand polishing.
 - The signature gadrooning detail on the escutcheon is used throughout the entire range.
 - An extensive range of fittings and accessory options for the lavatory, shower, and bathtub.
-
