WATERWORKS

THE COLLECTION: Atmos

Relax in your own restorative steam shower. Our Atmos steam shower products make it easy to combine a luxury shower experience with the health and wellness benefits of steam.

FEATURES

- Our steam units bring the relaxation and comfort of a spa to your own personal bathroom experience.
 - Steam head is designed to provide even heat throughout the steam room.
 - Steam head features a fragrance reservoir to enjoy the benefits of aromatherapy.
 - Both interior and exterior control panels have a touchscreen to control time, temperature and on / off.
 - Control panels digitally display temperature and remaining steam time. Control panels have a frameless face with no metallic finish.
-
