WATERWORKS

THE COLLECTION: Alden

Pure, simple, refined and timeless. The pedestal sinks and watercloset of this collection offer clean lines, crisp white ceramic surfaces and streamlined silhouettes. Classic designs ideal for smaller and transitional interiors.

FEATURES

- Designed exclusively for the Waterworks Studio.
 - High performance/efficiency, 1.28 gpf results in a significant water savings of up to 16,500 gallons per year.
 - Glazed exposed trapway.
 - Elongated bowl with universal height seat on a low profile tank.
 - Hinges for the wood-composite seat are only available in Chrome. Finish options are for the flush lever only.
-
