Style #: CBBT01

Available in White and With Slip Resistance

ESTB. 1978

WATERWORKS

THE COLLECTION: Colette

Simple elegance at its essence. The edging detail of this 19th century design appears to be carved from stone, an effect that is enhanced by the play between the honed matte exterior and high polish interior. Beautifully proportionate and formed for absolute relaxation.

FEATURES

- Made of composite material. Carved marble inspired the dual texture of this tub.
 - Carved marble inspired the dual texture of this tub.
 - Double ended, this tub was carefully proportioned for comfort.
