WATERWORKS

THE COLLECTION: Universal

Our Universal collection features timeless designs complementing any of our Waterworks. With a wide range of product, from fittings to accessories, Universal adds exquisite proportion and balance to any environment.

FEATURES

- Allows water to be switched between two different water features such as a shower head and handshower
- For use with all Waterworks families of diverter handle trims
- Shower head and Handshower icons correspond to the handle position. Custom icons are also available as special order
- Configured without shutoff position
