WATERWORKS

## THE COLLECTION: Watt

Inspired by the countless shapes and colors of telephone pole insulator covers, the Watt collection features two styles of large scale boron molded glass shades in clear, amber or blue. The Watt II collection features a smaller scale molded glass shade available in clear. They are an original interpretation of a vintage form and available in sconces or pendants.

---

## FEATURES

- Solid brass and boron molded glass
- Nickel and Chrome pendants feature gray fabric cord, while Old Bronze and Brass feature brown fabric cord
- Bulb Not Included

---
