WATERWORKS

THE COLLECTION: ViaWorks

The ViaWorks collection encompasses all Waterworks valves, which are just as impeccably engineered as our legendary fittings and the finest the industry has to offer in terms of performance, features and functionality. ViaWorks valves are engineered with more than three generations of bath and kitchen expertise, each with installers and lifelong service in mind.

FEATURES

- This counter-clockwise open and clockwise open cartridge rough is for use with Waterworks cross or wheel wall mounted faucets
 - 1/2" NPT male inlet and 1/2" NPT female outlet, with quarter turn functionality
 - 6 gpm (gallons per minute) unrestricted maximum flow at 60 psi
 - Provides convenience of a Wall Mount lavatory installation
 - Made in Europe of Brass Construction
-
