THE COLLECTION: Cumulus

Premium extra-long staple cotton have a softness that envelopes. A sophisticated palette of individually garment-dyed towels offer depth of color.

FEATURES

- 19" x 31 1/2"
 - Made of 100% Terry Cotton; Garment washed. 645 GSM
 - The collection comes in a sophisticated palette that offers an incredible depth of color. Due to the individual garment dye process, tonal variation should be expected from towel to towel. After a few home washings, the variation will subtly blend together.
 - Care and Cleaning: Machine wash warm (not hot) on gentle cycle. Use mild detergent or soap. do not use chlorine, bleach, stain removers, detergents with lighteners or fabric softeners. Absorbency increases with multiple washes. For linen, iron using medium heat
 - Made in the USA
